

Children's Sunday School

In our Sunday School classes, we desire for children to grow to have a firm grasp of the truths of Scripture and to get a glimpse of the majesty and glory of God.

Nursery: The babies will be hearing simple truths of Scripture, like God loves you, spoke to them; they will be prayed over each Sunday.

Toddlers: The toddlers are learning stories from the New Testament and important biblical truths.

Pre K—1st Grade: These children are learning the “ABC’s of God,” a study on the character of God.

2nd—3rd Grade: This class is working through the Bible chronologically. Right now they are studying the beginning of the Old Testament.

4th—5th Grade: This class is learning about salvation and sanctification.

6th Grade: These children are learning the names of God in order to better understand His majesty and who He is.
